Gateway Collegiate Athletic Conference

Western Kentucky University has joined the I-AA football division of the Gateway Collegiate Athletic Conference and will begin league play in 1992. The Hilltopper football team has been a I-AA independent since 1982, when the University left the Ohio Valley Conference to join the Sun Belt Conference, a league that does not sponsor a championship in football.

The football division of the Gateway Conference was founded in 1985 with six original members — Eastern Illinois, Illinois State, Northern Iowa, Southern Illinois, Southwest Missouri and Western Illinois. The league expanded in 1986 with the addition of Indiana State and has held an automatic bid into the NCAA I-AA national championship playoffs since 1986.

The Gateway has placed two teams in the playoffs each of the past two seasons, receiving at-large invitations both years in addition to the automatic berth. WKU will be eligible to compete

for the Gateway title and automatic NCAA bid in 1992. Western Kentucky has been a frequent opponent of Gateway football schools in recent years. The Hilltoppers, who will play four of the seven

Gateway schools this fall (and all seven in '92), hold an all-time 14-10-1 advantage in action with league teams.

The creation of Gateway Conference football marked the first time in athletic annals that a football division was added to a previously all-women's conference. The Gateway women's division, which currently sponsors championships for 10 members in nine NCAA Division I sports, was founded in 1982 but is scheduled to disband in July, 1992. Member institutions will realign their women's programs with their respective conferences for other men's sports. The Gateway will continue to operate as an eight-team football conference.

Western Kentucky University

Red Towel Territory ... Home of the Hilltoppers ... Western Kentucky University.

Located on rolling terrain in picturesque Bowling Green, Ky., Western Kentucky University boasts one of the most beautiful campuses in the nation, with 200 acres of the main campus sprawling over Southcentral Kentucky.

It's called the "Western Spirit," and it's a spirit well known to Hilltopper fans. Defined as a special feeling of belonging, more than 64,000 alumni and more than 15,000 WKU students share that "Western Spirit."

Probably more than anyone else, late Hilltopper Basketball Coach E.A. Diddle emanated that "spirit" by making famous Western's rich Red Towel Tradition. Today, whether it's an athletic event, the annual Fish Fry for Kentucky's school leaders or one of the many professional meetings on campus, one is likely to see red towels waving when on the Western campus.

For more than 85 years, Western has provided a high quality of instruction with a personal touch, encouraged scholarly research and creative activity by its faculty and students, and served as a public resource center for the entire region.

Recent Western highlights include:

- * The fall 1990 enrollment of 15,240 students was the largest in the institution's history.

- * Thirty-eight of the 50 states and 37 different countries are typically represented on Western's campus.

- * The average ACT score of full-time, first-time university students entering as freshmen was up again for fall 1990. The average score is 22.6.

- * Within the past year, 54 distinguished members of WKU's faculty have published books.

- * Nancy Jane Cox, Miss Bowling Green, was named Miss Kentucky for 1990. Nancy, a 1990 Western graduate, is from Campbellsville. Betsy Ann Drewry, Miss Western Kentucky University, was named first runner-up.

- * Western alumni, students, and friends have contributed over \$1.6 million to allow construction to begin on the \$11.4 million Raymond B. Preston Health & Activities Center on campus. Mr. Preston, from Henderson, and his family made a significant contribution.

- * WKYU-FM celebrated its 10th anniversary in November, 1990, while repeater station WDCL-FM in Somerset celebrated its fifth anniversary. With the addition of repeater stations WKP-B-FM in Henderson-Owensboro and WKUE-FM in Elizabethtown, Western's public radio service achieves the distinction of being the largest public radio service in the Commonwealth.

- * Melody Samuels, a broadcasting major, had a 1990 summer internship with the NaNeil-Lehrer News Hour on National Public Television.

- * WKU's Photojournalism Department won first place in the 1990-91 Photojournalism Intercollegiate Competition of the William Randolph Hearst Foundation for the second consecutive year and ninth place in the overall Writing Intercollegiate Competition.

- * One of the leading folklore journals in the world, Southern Folklore, has transferred to Western's campus after being published at the University of Florida for over 40 years.

- * WKU is one of only nine universities in North America to offer a graduate program in folk studies.

- * Dr. Kent Campbell, faculty member in the Department of Music and director of University Bands, has been named the Kentucky "Teacher-of-the-Year" at the college and university level by the Kentucky Music Educators Association (KMEA).

- * A student from Western's master's degree program in business, Judith Parkhe of Janesville, Minn., was one of only 67 students chosen to receive a \$10,000 doctoral fellowship from the National Dotoral Fellowship Program in 1988.

President Thomas C. Meredith

Dr. Thomas C. Meredith became the eighth President of Western Kentucky University on August 5, 1988. The 49-year-old native of Owensboro came to Western from the University of Mississippi where he served as vice chancellor for executive affairs and as an adjunct professor of higher education.

Dr. Meredith received his bachelor's degree from Kentucky Wesleyan College in 1963, a master's degree in educational administration from WKU in 1966 and the doctorate in educational administration from the University of Mississippi in 1971.

President Meredith served 10 years with the Board of Trustees of State Institutions of Higher Learning, Mississippi's governing body for its eight state universities, as academic programs officer and associate director for programs and planning. He has taught courses in educational administration, curriculum development and public relations at Indiana University Southeast, Jackson State University, Mississippi State University and the University of Mississippi.

Dr. Meredith was the 1991 recipient of the John R. Emens Award from Ball State University for support of a Free Student Press.

He served as a member of the university system committee to study Mississippi's funding formula, served as a member of the National Identification Project for the Advancement of Women in Higher Education, monitored and supervised the development of funded Centers of Excellence at Mississippi's comprehensive universities, and served on the select Task Force for Educational Excellence commissioned by Gov. William Winter to summarize and develop an action plan for the prestigious Education Reform Act of Mississippi.

Dr. Meredith has been involved in public education in Kentucky, Illinois, Indiana, and Mississippi. He has been a teacher, principal, college professor, researcher, and college administrator. His professional research activities include the development and completion of a review process for all academic programs below the doctoral level in the Mississippi public university system. The process was conducted in cooperation with more than 100 academic consultants nationwide. He also coordinated a study resulting in the establishment of a common minimum core of general education courses in the public universities of Mississippi. He has directed research in enrollment forecasting, gifted and talented education, faculty staffing, evaluations, and in-service non-credit activities.

Dr. Meredith chaired the Kentucky Task Force on the Arts and was appointed to the Southern Regional Education Board by Gov. Wallace Wilkinson. He was chair of the search committee for Commissioner of the Sun Belt Conference and is chair of the Renaissance Group, a national council of deans and presidents charting the future of teacher education. He is a member of the Bowling Green-Warren County Chamber of Commerce Board of Directors and the Bowling Green Economic Development Task Force.

Active in civic, church and professional organizations, he has authored a number of books, manuals and journal articles. Dr. Meredith is a member of the Board of Directors of Leadership Kentucky and is a member of the Presidential Commission on Teacher Education appointed by the American Association of State Colleges and Universities. He is also a member of the Board of Directors of the Louisville Orchestra.

The 6-5 Meredith played both basketball and baseball at Kentucky Wesleyan. The basketball teams he lettered on there (1961, '62 and '63) won 45 games while losing only 23, including a sparkling 21-4 mark his junior season (1961-62). The Panthers were runners-up in the NCAA South Region his sophomore year.

Dr. Meredith is married to the former Susan Steen of Booneville, Miss.

They have two sons, Mark (16) and Matt (13).

Athletic Administration

Athletics Director Dr. Lou Marciani

Dr. Lou Marciani was named Director of Athletics at Western in April and took over the reins of the Hilltopper athletic department July 1 following the retirement of Jimmy Feix.

Dr. Marciani came to the Hill from Southern Mississippi where he had been Associate Director of Athletics for the previous two years (1989-91). Prior to that stint with the Golden Eagles, he headed up athletic programs at East Stroudsburg University in Pennsylvania (1986-89) and at Salisbury State in Maryland (1984-86).

His duties at USM included the direction of all external activities related to the program. He developed and coordinated the department's fund-raising, marketing and promotional efforts while also overseeing broadcast media coverage and public and community relations. And, he supervised the university's sports information and Eagle Club activities.

Marciani has been a member of the NCAA Communications Committee since 1987. He has also served on executive boards/committees for the Eastern Collegiate Athletic Conference (ECAC — 1988-90) and the Pennsylvania State Athletic Conference (PSAC — 1987-90). And, he spent 10 years (1978-88) as a member of the Sugar Bowl Committee. He was president of the National Intramural Recreational Sports Association in 1979. And, he has been involved with the State Department as a sports specialist for the department's professional staff in the Persian Gulf and Southwest Pacific areas (1985). He served in a similar capacity with the Department of the Army in West Germany (1976-77).

He has also been active in chamber of commerce, United Way, Big Brothers/Big Sisters, American Heart Association and youth soccer programs.

Marciani began his professional career as the soccer and wrestling coach at Gannon University in Erie, Pa. (1967-70). He also directed that school's intramural sports program. In 1970, he began a four-year stint as soccer coach and coordinator of recreational sports at the New York State University College at Buffalo.

He first went to Southern Mississippi in 1974 as that institution's director of recreational sports. After 10 years in that position, he moved on to Salisbury State as departmental chair of athletics, intramural-recreational sports and professional physical education. The Seagull athletic program consisted of 18 intercollegiate sports.

In 1986, Marciani accepted the athletic director's post at East Stroudsburg and directed that 24-sport program for three years before returning to USM as associate athletics director in 1989.

A native of The Bronx in New York City, Marciani grew up in Tenafly, N.J., and graduated from Tenafly High School where he lettered twice in both soccer and wrestling.

He got his bachelor of science degree in physical education at the University of Charleston in West Virginia in 1966. Marciani added a master's in P.E. at the University of Bridgeport in Connecticut the following year. He earned his Ed.D. in physical education with specialization in sports management at Southern Mississippi in 1984.

Marciani is married to the former Sandra Sorger of Chicago, Ill., and they have four children (three sons and a daughter) — Todd (20), a senior at USM; Chris (18); Jennifer (16); and Justin (9).

A native of nearby Franklin, Ky., she completed her bachelor of science degree in physical education in 1975 and then spent two years as a graduate assistant trainer while earning a master's degree.

While on the Western training staff, Herriford worked with most WKU sports; however, her prime responsibilities were the women's teams.

Since joining the Athletics Director's staff in 1982, Herriford has taken an active role in the continuing development of women's athletic programs at WKU. And, she has served as event manager for Sun Belt Conference women's basketball and volleyball tournaments, as well as regional play in the NCAA women's basketball championships.

She and her husband, Ron, are the parents of a daughter, Kim (10), and a son, Keith (8).

Pam Herriford, who is entering her 10th year as a member of WKU's athletic administration, was promoted to Associate Director of Athletics this summer after serving as assistant athletics director since 1987. Prior to that she was the Coordinator of Women's Athletics at Western (1982-87).

An active professional, she is currently serving a term as a member of the NCAA Research Committee.

Prior to going into athletic administration, she was an assistant trainer in the Hilltopper athletic program for three years.

However, her association with WKU athletics goes back to the revival of women's intercollegiate sports on the Hill in 1973. She played on both the tennis and track teams that first year and then became a student trainer in the Topper athletic program.

Associate Athletics Director Pam Herriford

Hilltopper Athletic Foundation

The Hilltopper Athletic Foundation (formerly the Hilltopper Hundred Club) is the official athletic booster association of Western Kentucky University.

A group of more than 1,500 individuals and businesses, the Foundation traces its roots to 1965 when former Athletic Director Ted Hornback started the Hilltopper Hundred Club in an effort to organize the outstanding community, campus and alumni support that the University's athletic programs have enjoyed through the years.

The membership of the organization is committed to furthering the tradition of excellence that Western followers have come to expect from its athletes and athletic teams.

The Foundation provides an opportunity for alumni and friends of the University to financially contribute to Hilltopper athletics and thus participate in the growth and continued success of intercollegiate sports at Western.

A new era dawned in the history of the Hilltopper Athletic Foundation in 1981 when Gary West was selected as the organization's first full-time executive director. Under his guidance the Foundation's budget has increased more than five-fold. Although that is quite an impressive record, the Foundation is continually developing new and innovative programs designed to increase the group's membership and revenues so that Western's athletic programs can experience the growth necessary to compete in today's college sports world. One step the organization has made

that further illustrates its growth was the addition of DeLane Simpson to its staff as assistant director in 1987.

One of the most ambitious undertakings of the Foundation has been the initiation of a program to endow athletic scholarships to guarantee support for deserving young athletes for years to come. In less than 10 years, the program has attracted 22 endowed scholarships.

In the summer of 1987, the Foundation spearheaded a fund-raising drive to provide lighting for L.T. Smith Stadium. In approximately 90 days, \$165,000 was raised and Smith Stadium, which originally opened its doors in 1968, played host to the first night game in its history on Sept. 19, 1987, when the Hilltoppers hosted Murray State and came away with a 21-17 victory.

The Foundation is currently in stage two off a three-stage project for improvements at Nick Denes Field, the home of Hilltopper baseball. More than 200 chair seats (stage one) were installed to replace the wooden bleachers behind home plate in the spring of 1990. And, now plans are being finalized to begin stage two, a three-story building behind the new seating. The structure is designed to provide rest rooms, a concession stand, office space, storage and a modern press box. Stage three will be the installation of lighting at Denes Field to accommodate night baseball.

The Hilltopper Athletic Foundation operates under the direction of an elected Board of Directors who set policy for the organization.

Executive Director Gary West

Gary West assumed his duties as the first-ever executive director of the Hilltopper Athletic Foundation, Western's official athletic booster organization, in 1981.

As head of operations for the Athletic Foundation, he oversees the normal business of the club as well as directing promotional and fund-raising activities for the Foundation and for Hilltopper athletics.

A native of Indianapolis, he grew up in Elizabethtown, Ky., where he attended Elizabethtown High before enrolling at Western. After two years on the Hill, he transferred to Kentucky to complete his degree in journalism (1966).

He then served stints with the *Elizabethtown News* (sports editor, 1966-67); the *Ft. Bragg*

Assistant Director DeLane Simpson

DeLane Simpson returned to his alma mater in 1987 to fill the newly created position of assistant director of the Hilltopper Athletic Foundation.

However, Simpson has been familiar with the world of Western athletics for more than 35 years. He first came to the Hill in 1955 from Cradock High School in Portsmouth, Va. A four-year letter winner on the gridiron, he played for coaches Jack Clayton (1955-56) and Nick Denes (1957-58) and led the Toppers in rushing, total offense and all-purpose running as a junior in 1957.

A native of Kannapolis, N.C., he graduated from Western in 1959 with a bachelor of arts degree in education. He put in 20 years in the U.S. Army, retiring from active duty with the rank

(N.C.) *Paraglide*, at that time the largest military newspaper in the United States (editor, 1968-70); and State Farm Insurance, Bloomington, Ill. (advertising, 1970-71) before returning to Bowling Green, where he founded the local "Penny Saver" shopper-advertising publication.

Since returning to Bowling Green, West has also done some free-lance sports writing and, for several months in 1976, he served as interim sports information director at Murray State. In addition, he now provides the color analysis on the broadcast of Topper men's basketball games on the Hilltopper Radio Network.

West is married to the former Jane Hendrick of Bowling Green and he has two children, Mandy (21) and Greg (20).

of major in 1979. He then returned to Bowling Green where he was employed at Fruit of the Loom's world headquarters facility for seven years.

Since returning to Bowling Green, Simpson has been an enthusiastic participant in the activities of the Athletic Foundation, including a period of service on the organization's board of directors prior to joining the HAF office staff. His efforts have been instrumental in the success of a number of the Foundation's annual, and special, projects.

Simpson is married to fellow Western alumnus Brenda Ford, a native of nearby Greenville, Ky. They are active in a number of civic and church activities.

Academic-Athletic Building No. 2 and L.T. Smith Stadium

The 1991 season will be Western's 24th in L.T. Smith Stadium, one of the most beautiful and efficient football facilities to be found on any college campus. The Academic-Athletic Building No. 2 and L.T. Smith Stadium is part of Western Kentucky University's modern athletics complex.

Smith Stadium entered a new era in its storied history on Sept. 19, 1987, when the Hilltoppers hosted Murray State in the first-ever night game in the facility, a 21-17 WKU victory. The new lighting system, costing more than \$100,000, went into use that night after a tremendously successful fund-raising campaign conducted by the Hilltopper Athletic Foundation that summer resulted in the private funding needed to light the stadium.

The stadium and its accompanying facilities sit in the midst of that athletics complex, which also includes the Academic-Athletic Building No. 1 and its 12,000-seat E.A. Diddle Arena; an all-weather track; a lighted field for varsity football practice, intramurals and physical education activities; lighted tennis courts; and Nick Denes Field, the 750-seat home of the baseball Hilltoppers. All are located in an area of the campus between Russellville Road and University Boulevard.

This gives Western, in a central area, both a coordinated series of athletic facilities and modern,

well-equipped teaching areas for the Department of Physical Education and Recreation.

In addition to the stadium, the Academic-Athletic Building No. 2 contains classrooms, faculty offices and complete lockerroom, weight training and sports medicine facilities for football and other sports.

The stadium is named for the late L.T. Smith, who came to Western in 1920 to establish the Department of Industrial Arts, now designated the Department of Industrial and Engineering Technology. He headed the department until 1957 when he took over as Physical Plant Administrator. In 1963 he was named Coordinator of New Construction, a post he held until he retired in 1965.

In addition to his other duties, Smith coached Western's football team in 1920 and 1921 and it's basketball team in 1921-22. He was instrumental in bringing Coach E.A. Diddle, a member of the Naismith and Helms Foundation Basketball Halls of Fame, to Western to take over the athletic coaching duties in 1922.

Smith, a member of the Ohio Valley Conference Hall of Fame, also made a great contribution to the University's athletic program by serving as chairman of the Athletic Committee almost continuously from the time he helped form it in 1922 until he retired.

The stadium had an original seating capacity of 19,250. However, adjustments to provide a section of more comfortable backed bleacher seating in the upper deck and the elimination of ground level seating in 1989 reduced the size of the stadium to its current 17,500 seats.

Smith Stadium has hosted a variety of activities through the years, including NCAA playoffs, Kentucky high school championship playoffs, state band festivals, concerts and University commencement exercises.

The Hilltopper Radio Network

The Hilltopper Radio Network was awarded the exclusive radio rights to Western Kentucky University football and men's basketball broadcasts in 1982. That contract, the first of its kind in the history of WKU athletics, went into effect at the beginning of the 1982-83 basketball season and continued through the 1984-85 school year. Then, the contract was renewed for a three-year period (through 1987-88) and also included rights to women's basketball and selected baseball games. The Network is now beginning its fifth exclusive rights contract with the University.

A partnership of area businessmen Hank Brosche and Wes Strader, the Hilltopper Network will originate over radio station WBLG-FM in Bowling Green.

At press time, the Network for the 1991 football season was expected to include the following cities and affiliates:

Franklin — WFKN-AM (1220)
Glasgow — WCLU-AM (1490)
Greenville — WWHK-FM (105.5)
Henderson — WSON-AM (860)
Hodgenville — WXAM-AM (1430)
Morgantown — WLBQ-AM (1570)
Munfordville — WLOC-AM/FM (1150/102.3)
Russellville — WRUS-AM (610)

Strader, a veteran of 27 years of play-by-play experience at Hilltopper athletic events, will continue to call the action, assisted by Bob White.

The Football Staff

Head Coach Jack Harbaugh

Jack Harbaugh took over the head coaching reins at Western Kentucky on February 1, 1989, after spending two seasons as the assistant head coach at the University of Pittsburgh. He promptly led his first Hilltopper team to a 6-5-0 mark against one of the toughest schedules in all of I-AA football.

That 1989 Topper eleven narrowly missed gaining a berth in the NCAA national championship playoffs and saw five of 10 I-AA teams Western faced advance into the playoff field (WKU was 3-2-0 in action with those five schools).

Two of his charges in his first year at Western were drafted by National Football League teams — strong safety Jerome Martin (Green Bay in the 10th round) and defensive lineman Webbie Burnett (New Orleans in the 11th). And, three other '89 Toppers signed with the pros as free agents — receiver Anthony Green (Cincinnati), defensive end Xavier Jordan (Seattle) and free safety Jonathan Watts (Seattle). Burnett played with the Raleigh-Durham Skyhawks of the World League of American Football (WLAFF) last spring and linebacker Russell Foster played with the London Monarchs in the WLAFF.

Then, the Hilltoppers fell on hard times against one of I-AA football's toughest schedules last season and dropped to 2-8-0. However, defensive specialist Eddie Godfrey drew considerable attention from the pro scouts and signed with Tampa Bay in the NFL last spring.

The 52-year-old Harbaugh (HAR-baw), a veteran of 29 years in the coaching ranks, 24 of those at the college level, previously spent five seasons as head coach at Western Michigan. And, he has served as an assistant at Michigan, Iowa, Stanford, Bowling Green State and Morehead State.

In his first year at Pitt (1987), he worked primarily with the linebackers and helped guide the Panthers to an 8-4-0 mark and an appearance in the Bluebonnet Bowl. One of his proteges that fall, All-America linebacker Zeke Gadsen, was a finalist for the Butkus Award and was drafted by the Buffalo Bills of the National Football League and later played in the Canadian Football League. Then, in 1988, Harbaugh moved to the offensive side of scrimmage. Pitt was 14-9-0 in his two years there.

Harbaugh was head coach at Western Michigan from 1982 through 1986. His best

season with the Broncos was '82 when he guided his charges to a 7-2-2 mark and second place in the Mid-American Conference. Overall, his five teams there were 25-27-3. One of his standouts at WMU, linebacker John Offerdahl, is a three-time All-Pro with the Miami Dolphins.

Prior to that stint at Western Michigan, he put in two seasons as defensive coordinator at Stanford. Those Cardinal teams were quarterbacked by John Elway.

Harbaugh served as defensive backfield coach for Bo Schembechler at Michigan for seven years (1973-79) and was a part of Wolverine teams that won five Big Ten championships (1973, 1976, 1977, 1978 and 1979). Those teams played in the 1976 Orange Bowl and made three trips to the Rose Bowl ('77, '78 and '79). The seven Michigan teams he worked with posted an overall record of 66-13-3 (.823).

A number of his defensive backs at Michigan went on to enjoy successful careers in professional football. Among those are: David Brown, an All-America free safety (Green Bay); Michael Hardin, another free safety (Denver); Dwight Hicks, also a free safety, who played for San Francisco and was in the 1982 Super Bowl with the 49'ers; and Keith Bostic, a strong safety (Houston) and Pro Bowl athlete.

Harbaugh coached the defensive backs at Iowa in 1971 and 1972 and among his proteges there was strong safety Craig Clemmons, a first round draft choice of the Chicago Bears in 1972.

Coach Harbaugh put in four seasons (1968-71) as an aide in the defensive backfield on Coach Don Nehlen's staff at his alma mater, Bowling Green State. Nehlen, now at West Virginia, was the American Football Coaches Association's 1988 College Coach-of-the-Year after guiding the Mountaineers to an 11-1-0 mark.

His first assignment in the college ranks was at Morehead State, where he spent one season (1967). He made his first visit to the WKU campus that fall when the Eagles were the guests for the Hilltoppers' Homecoming game — a 30-19 Western victory.

Prior to getting into the college game, Harbaugh spent a year (1966) as head coach at Xenia (Ohio) High School where his team won eight of nine games and took championship honors in the Western Ohio League. For his efforts, he

The Assistant Coaches

Rick Denstorff Offensive Line

Rick Denstorff returned to his alma mater in the spring of 1989 to join Jack Harbaugh's staff at Western Kentucky. He came back to the Hill from Indiana (Pa.) University, where he helped lead the Indians to an 8-3-0 record and a berth in the Division III national championship playoffs. He worked with the defensive line there and that unit ranked second in the nation against the rush and third in the country in overall defense.

Prior to going to IUP, he spent two seasons (1986-87) as a graduate assistant coach at Pittsburgh, where he worked with Coach Harbaugh during the '87 campaign. His assignment at Pitt was the offensive line. The 1987 Panther eleven played in the last Bluebonnet Bowl.

A three-year starter (1983-85) with the Hilltoppers (at both offensive guard and center), he captained the '85 Toppers and was the recipient of WKU's coveted Al Almond Memorial Award as a senior. He earned four letters on the gridiron.

Denstorff has been associated with the last

three Hilltopper head coaches. He signed with Western in 1982 and played his first two seasons for former Coach Jimmy Feix. Then, after Feix' retirement from the coaching ranks in 1983, Denstorff toiled in the offensive line for Coach Dave Roberts. Now, he's on the sidelines as an assistant for Jack Harbaugh.

He was a three-sport letterman at South Spencer High School in Rockport, Ind., earning All-State honors twice ('80-'81) in football as a linebacker and offensive lineman and once ('81) as a catcher in baseball. He also earned two letters in basketball.

A 1982 South Spencer graduate, he played his prep football for his father, Jerry, one of Indiana's most respected high school grid coaches and the 1988 Southern Indiana Coach-of-the-Year.

Denstorff holds a bachelor's degree in physical education from Western (1986) and is a candidate for a master's in administration and policy studies at Pittsburgh.

Big Red

"Big Red," Western's athletic mascot, was born in the fall of 1979 and celebrated its 11th birthday last December.

The huge, furry, lovable creature was originally designed and built by WKU student Ralph Carey ('80) of Cincinnati, and made its debut during the Hilltoppers' 1979-80 basketball season. "Big Red" has since become a big hit with fans of all ages throughout the state and the nation.

The ultimate fan and supporter of all of WKU's intercollegiate sports, "Big Red" won the "Key to Spirit" award — the highest honor presented to team mascots at the time — at the Universal Cheerleading Association competition in 1980, 1981 and again in 1983. And, in the spring of 1990, "Big Red" reached the "Final Four" of the Universal Cheerleading Association's second annual national championship event in San Antonio, Texas, taking third place honors.

Playing the "Big Red" role this year are John Brunner, a junior textiles from Prospect, Ky., and Chrissie Mueller, a sophomore from Pikeville, Ky.

Darryl Drake Receivers / Quarterbacks

After spending two seasons as a graduate aide with the Hilltoppers, Darryl Drake joined the WKU staff on a full-time basis in the spring of 1985.

He worked with the Topper receiving corps the four years and then moved to the Topper defensive backfield last fall. After a year in that role, Drake returns to the offensive side of scrimmage this season to direct the WKU passing game.

Through the years, he has coached a number of the most prolific pass catchers in the school's history, including Keith Paskett ('83-'86), who played with the Green Bay Packers of the National Football League. Another of his proteges, Cedric Jones ('84-'86, '88), was an Associated Press honorable mention All-America pick. And, former WKU receivers Malcolm Darden ('86-'87) and Glenn Holt ('87-'88) have also played professional ball. In addition, Eddie Godfrey came out of last year's defensive backfield to sign with Tampa Bay.

Drake, who has worked for the last three Western head coaches, first came to the Hill from Louisville's Flaget High School as a rookie receiver in 1974. While at Flaget, he was an honorable mention All-Stater on the gridiron and was also an All-State pick in basketball. In addition, he was

the Kentucky prep champion in both the 100 and 200 on the track, earning prep All-America status along the way.

As a senior Hilltopper in 1978, he accounted for 31 catches, 380 yards and four touchdowns, helping the Toppers to an 8-2-0 mark and the championship of the Ohio Valley Conference. For his efforts, he was named second-team All-OVC.

After completing his career on the Hill, he reached the final cut with the Washington Redskins of the National Football League in 1979, then came back to Western where he served as a student assistant coach while completing work on his degree.

He then put in a year and a half as a receiver with the Ottawa Rough Riders in the Canadian Football League. He again reached the final cut, this time with Cincinnati of the NFL, in 1983, and then gave up pro football to return once again to WKU, where he served as a graduate assistant in 1983 while completing his master's degree. He stayed on in 1984 to earn an education specialist degree in student personnel services.

Drake is a cousin of former Hilltopper grid star Carl Brazley (1976-'79), who earned All-Pro honors in the CFL and former pro basketball great Wesley Unseld.

The Red Belt

Trainer Bill Edwards (center) and Associate Trainer Randy Deere with The Red Belt.

In the spirit of some of college football's greatest rivalries, Western Kentucky and Murray State have a traditional gridiron trophy exchange of their own.

The "Red Belt" originated in 1978 when Hilltopper athletic trainer Bill Edwards attended a district trainers' meeting with Murray State trainer Tom Simmons. As Edwards tells the story, Simmons forgot to bring a belt along and borrowed a red one belonging to Edwards. After the meeting, when Edwards asked about his belt, Simmons responded that Western would have to beat Murray State in football to get the belt back.

Simmons had the belt mounted on a large plaque, complete with brass plates to keep Western-Murray scores etched in history for years to come.

When the '78 football season rolled around that fall, Western went into Racer territory and came away with a 14-6 victory and the "Red Belt." MSU reclaimed it in 1979 and it has bounced back and forth since. The trophy belongs to Murray State and now hangs in Stewart Stadium at Murray after MSU's narrow 17-14 victory over the Hilltoppers in 1989. After scheduling conflicts prevented Western and Murray from meeting last fall, the two old rivals renew their annual battle this season in Bowling Green (Sept. 14).

Here's a rundown of the results of the Western-Murray series since the "Red Belt" came on the scene in 1978:

- 1978 — Western 14, Murray St. 6
 - 1979 — Murray St. 30, Western 20*
 - 1980 — Murray St. 49, Western 0
 - 1981 — Murray St. 38, Western 6*
 - 1982 — Western 27, Murray St. 20
 - 1983 — Murray St. 7, Western 3*
 - 1984 — Murray St. 17, Western 16
 - 1985 — Western 27, Murray St. 25*

Western's Red Towel

COACH E.A. DIDDLE

Western's unique "Red Towel" originated with the late E.A. Diddle, one of the most successful coaches in history and a member of the Naismith and Helms Athletic Foundation Halls of Fame.

Through 1,062 Hilltopper basketball games — 759 of them wins, the third highest total ever — Diddle clutched a red towel. He chewed on it, threw it, cried on it, waved it at fans and used it to signal his players.

Though Mr. Diddle has been identified primarily with Topper basketball, he won his first game at Western on the gridiron — 6-0 over Louisville on Sept. 30, 1922. He coached football from 1922 through 1928, winning at a 61 percent rate (38-24-2) and running up a victory total that was unsurpassed by his successors on the gridiron until 1954. His 1928 squad, one of the finest in Western annals, marched to the state championship with an 8-1-0 record, outscoring the opposition 171-7.

The Red Towel became synonymous with Ed Diddle and he became synonymous with Western's outstanding athletic heritage. And, now fans at Hilltopper sporting events wave red towels as they cheer for the "Big Red."

Hilltopper Nickname

The evolution of the nickname "Hilltoppers" is obvious to those who have seen the Western Kentucky University campus. The operations of Western Kentucky State Normal School were moved from the site of its forerunner, Southern Normal School, to a commanding hill in the southwestern portion of Bowling Green on February 4, 1911. The move was completed as the entire student body marched to the new site, carrying various articles of school equipment.

Since the summit of "the Hill" rises 232 feet above nearby Barren River and the comparatively level plain that surrounds it, it was only natural that the young athletes who represented the institution centered on the crest should come to be known as "Hilltoppers." Still, the name did not come into use until the 1925-26 school year. Prior to that, Western's athletic teams were commonly referred to as "Pedagogues" or "Teachers."

I-AA Football's Winningest Teams

Western and two of the Hilltoppers' 1991 opponents — Eastern Kentucky and Middle Tennessee — appear among the Top 20 on the NCAA's list of the all-time winningest school's in I-AA football (based on winning percentage). Here's a look at that list, which includes bowl games (each tie game is computed as half won and half lost).

1991 NCAA I-AA Football

The 1991 NCAA Division I-AA football championships will again feature 16 teams in its playoffs to determine a national champion among the 88 institutions that compete at the I-AA level.

The first round games will be played November 30; the quarterfinals and semifinals will be December 7 and

14, respectively; and the national championship game is scheduled for Dec. 21 at Georgia Southern in Statesboro, Ga.

Six conferences (Big Sky, Gateway, Ohio Valley, Southern, Southland and Yankee) receive automatic bids to the playoffs. The remaining teams in the field will be

selected on an at-large basis with a minimum of two of those teams coming from outside the six conferences with automatic bids.

Feast and Famine

Through 72 seasons, Hilltopper gridders have fashioned an enviable record, posting a winning won-lost mark on 46 occasions, while winding up on the losing side of the ledger only 22 times. Four times, Western footballers broke even at .500.

At one point, the Toppers waltzed through 14 straight winning campaigns (1927-40). Under the guidance of six different coaches, those 14 Western teams racked up 96 victories against only 29 defeats and five ties a .758 winning percentage.

The longest that Western suffered without a winning season was five years (1982-86).

During those 72 campaigns, the Hilltopper defense held the opposition scoreless an impressive 151 times — an average of 2.1 shutouts per season.

However, seven of those goose-egg games were scoreless ties. And, looking on the negative side, the WKU offense has fallen short of the goal line on 67 occasions.

Below is an outline look at the 10 best and 10 worst seasons, based on winning percentage, in Hilltopper grid history.

All-OVC Selections

During Western's 34-year association with the Ohio Valley Conference (from its founding in 1948 through May, 1982), Hilltopper athletes virtually dominated the OVC's first-team all-star unit with a total of 117 picks. Over that period of time only one other league school (Eastern Kentucky) could boast of more than 100 first-team selections (111). Murray State had 85 such honorees, Tennessee Tech 84, Middle Tennessee 79, Morehead

State 58, Austin Peay 43, East Tennessee 37, Evansville five, Louisville 3, Marshall two, Akron two and Youngstown State two. The most first-team picks by any school in single season was nine. Tennessee Tech was the first to put that number on the team in 1972. The Hilltoppers followed immediately with nine in 1973 and again tied that record in 1980. A complete list of Western's first-team All-OVC selections follows.

The award was originated by the Bowling Green Optimist Club, of which Almond was a member. The winners through the years are:

- 1968 — Walt Heath, DT, Goodlettsville, Tenn.
 1969 — Johnny Vance, QB, Glasgow, Ky.
 1970 — Bill Hape, LB, Evansville, Ind.
 1971 — Jimmy Barber, LB, Portland, Tenn.
 1972 — Andrew Francis, DB, Louisville, Ky.
 1973 — Leo Peckenpau, QB, Henderson, Ky.

 1977 — Chip Carpenter, OG, Bowling Green, Ky.
 1978 — Reginald Hayden, BB, Nashville, Tenn.
